EXPERIENCE

JorgeStyles

2021-2021

Independent Contractor

Remote

Leveraged my knowledge of CSS and HTML to produce a mobile-responsive landing page to employer's specifications.

- Successfully integrated mobile responsive design to enhance the appearance of the application to provide an increased chance of customers utilizing the application from their mobile devices.
- Accomplished integration of design into legacy code through employer's GitHub, without conflict, in a quick and efficient manner to avoid down time and quickly increase traffic flow to the site.

Comfort Inn & Suites

2016-2017

Front Desk Agent

Saint Petersburg, FL

Provided accommodations to guests from all regions in a high-paced, high-energy family-friendly hotel.

Key duties:

- Independently ran the front desk while taking and updating reservations via phone, email, and online platforms.
- Managed the in-house bar and convenience store during regular front desk shifts.
- Effectively took charge of housekeepers and coordinated fulfillment of hotel and guests' needs.
- Accommodated an average of 100 guests per shift.
- Utilized MS Excel to produce reports and keep track of inventory; MS Word to create letters for management and signs for various occasions; MS PowerPoint for corporate meetings.
- Collaborated with employees to enhance the amount of work accomplished during a shift and to meet goals.
- Maintained communication with VA relations to accommodate medically needy veterans during VA trips for medical support; Relations with Bluegreen Vacations to accommodate their guests for their scheduled previews.
- Orchestrated accommodations to leisure activities, restaurants, shopping, and transportation.

Department of Juvenile Justice

2013-2014

Juvenile Probation Officer Intern

Largo, FL

Worked with a team of probation officers in a fast-paced secured juvenile processing facility.

Key duties:

- Processed incoming juveniles for detainment
- Evaluated juveniles for rehabilitation and diversion programs
- Analyzed and input case information into the Juvenile Justice Information System
- Maintained files both physical and virtual
- Examined police reports for accuracy and information relevant to each case
- Attended court hearings for detained juveniles
- Supervised juveniles on probation in collaboration with their probation officers

EDUCATION

Certificate, Full Stack Web Development

University of Miami

Miami, FL

Associate of Science, Criminology and Criminal Justice

Hillsborough Community College

Tampa, FL

Accomplishments:

- Maintained Dean's List
- Graduated with Honors
- Received multiple sportsmanship awards
- Obtained multiple leadership awards
