EXPERIENCE

Comfort Inn & Suites   **2016-2017**

Front Desk Agent   **Saint Petersburg, FL**

Provided accommodations to guests from all countries and backgrounds in a high-paced, high-energy family-friendly hotel.

Key duties:

•   Ran the front desk independently while taking and updating reservations via phone, email, and online platforms.

•   Managed the in-house bar and convenience store during regular front desk shifts.

•   Took charge of housekeepers and coordinated with them for hotel and guests' needs.

•   Accommodated an average of 100 guests per shift.

•   Utilized MS Excel to produce reports and keep track of inventory; MS Word to create letters for management and signs for various occasions; MS PowerPoint for corporate meetings.

•   Collaborated with other employees to enhance the amount of work accomplished during a shift and to meet goals.

•   Maintained communication with VA relations to accommodate medically needy veterans during VA trips for medical support; Relations with Bluegreen Vacations to accommodate their guests for their scheduled previews.

•   Managed accommodations to leisure activities, restaurants, shopping, and transportation.

Department of Juvenile Justice   **2013-2014**

Juvenile Probation Officer Intern   **Largo, FL**

Worked with a team of probation officers in a fast-paced secured juvenile processing facility.

Key duties:

•   Processed incoming juveniles for detainment

•   Assessed juveniles for rehabilitation and diversion programs

•   Input case information into the Juvenile Justice Information System

•   Maintained files both physical and virtual

•   Reviewed police reports for accuracy and information relevant to each case

•   Attended court hearings for detained juveniles

•   Managed juveniles on probation in collaboration with their probation officers

Publix Supermarkets   **2011-2015**

Customer Service/Grocery   **Tampa, FL**

Maintained exceptional customer service to all customers in a high-paced top-ranked grocery store.

Key duties:

- Maintained the highest possible level in evaluations (Role-model).

- Maintained the quickest register to provide the best experience for customers and maintain company efficiency while providing service to 100s of customers per shift.

- Assisted other employees in all areas of the store when they were short-staffed or behind on work.

- Maintained control of an entire grocery section while leveraging my time management skills to complete all necessary tasks and goals for the day.

- Collaborated with other team members to complete daily tasks and find the most efficient way to minimize time on any one task to get more accomplished than asked of us.

- Maintained inventory through spreadsheets, order forms, and other relevant software

- Collaborated with other employees to enhance the amount of work accomplished during a shift and to meet goals.

- Discussed issues and solutions with management to improve customer experience and employee productivity
